Scottish Government Legislation – Any animal coming from a Scottish Holding must have a “negative” herd status for BVD or be individually tested negative for the BVD virus. Any animal from a “not negative” herd cannot move to a show unless it has been individually tested negative for the BVD virus. We suggest you check the ScotEID website for more information. Therefore before any animal is unloaded in the Cattle and Sheep Section you will need to have their relevant documentation checked by Mrs. Robert Young at her secretarial office on the Showground.
